

MCARC HamFest Contest Rules (Door Prizes)

McMinn County Amateur Radio Club members **are eligible** to enter or win any advertised prizes. MCARC officers are NOT eligible to enter or win advertised prizes.

Those purchasing door prize tickets may purchase as many tickets as they choose.

Each ticket shall have a valid call sign and telephone number of the individual purchasing the ticket(s) OR the call sign and telephone number of a family member possessing a current amateur radio call sign.

Each ticket will be placed in the ticket drum, with the purchaser maintaining the matching duplicate stub(s) for verification purposes.

Various door prizes will be awarded throughout the HamFest with the ticket drum rotated numerous times before each drawing to ensure thorough mixing of the tickets. As tickets are drawn from the drum, each ticket drawn will be verified by a second individual and the winner(s) will be announced via the facility PA system. Winners must be present to win and must claim the prize within a reasonable amount of time (as determined by the club officers). If the winner fails to claim their prizes, another ticket will be drawn following the same process.

PRIOR to drawing for the GRAND PRIZE, all tickets previously drawn for door prizes will be placed back in the ticket drum so that everyone has an opportunity to win the GRAND PRIZE.

The drawing for the GRAND PRIZE will take place at noon during the HamFest and the owner of the winning ticket drawn must be present to win. In order to be eligible to win the GRAND PRIZE the owner of the ticket drawn must be a licensed amateur or a family member of a licensed amateur which can be verified. **If the owner of the winning ticket is not claimed within a reasonable amount of time (as determined by the club officers) another ticket will be drawn.**

Any unforeseen issues that may arise surrounding this contest not already described herein shall be evaluated by the MCARC club officers, and their decision(s) will be final.

NOTE: Once individuals take possession of any prizes awarded them, they are solely responsible for the security of same prize, for any owner's registration, and for proper operation of said prize(s) within the limits of any amateur radio operator / station licenses they possess. The MCARC assumes NO liability beyond the awarding of said prizes to licensed amateurs or their family members in accordance with the contest rules stated above.
