

**Committee Name:** Net Committee

**Purpose of the Committee:** The Net committee will provide for the continuous designing and maintaining of all McMinn County Amateur Radio Club net operations and communications.

**Goals and objectives of the committee** To maintain the highest quality net operations possible using repeater and simplex systems in the McMinn County and surrounding areas for amateur radio communications.

**Tasks/ duties of the committee:**

-(New wording for #1 "task" forthcoming)

-To communicate any repeater malfunction or problem with repeater communication with the repeater committee. This gives a more direct approach for the passage of accurate communication.

-To conduct weekly net operations on club repeaters and simplex frequencies. This provides up to date information on repeater function and individual operator capability of accessing the repeaters.

-To encourage and train those interested in net operations. This insures adequate operators available to conduct net exercises.

**Current membership of the committee:**

Doc Holliday KK4STW

Steve Rickerson K4SRR

Micheal Maroon KM4EZP

Cliff Blackburn W4TZD

Bill Leucken W4WPL
