

Committee Name: Website

Purpose of the Committee: To manage the official website for the McMinn County Amateur Radio Club.

Goals and Objectives of the Committee: To produce and maintain a very high quality website that is informative and promotes the purpose of the club to the public, as well as keeps members informed and engaged in activities of the MCARC.

Tasks/ Duties of the Committee:

- To edit the MCARC website and website design.
- To serve as the contact for club members to submit information to the website to better inform the public as well as other club members.
- Obtain pertinent info to be posted in a timely manner as to benefit members and website visitors.
- To provide information to the website that will encourage Hams to become members of the MCARC.
-
