

Committee Name: Trailer Committee

Purpose of the Committee: The purpose of the MCARC Emergency Trailer Committee is to maintain and repair the emergency trailer both inside and out so that it is available and ready to be deployed at any time and any place it might be needed.

Goals and objectives of the committee: To maintain the highest level of readiness possible so that the MCARC trailer and its communications equipment can respond immediately to any emergency communication needs in McMinn County or the surrounding areas to help prevent or limit the loss of life or property.

Tasks/ duties of the committee:

- The trailer committee will test and maintain the radios and associated items including but not limited to antennas, coax, batteries, generator and tools in the trailer, as well as the trailer itself.
- The trailer committee will also be responsible for transporting or causing to be transported the trailer to an emergency location or to MCARC approved events.
- The Trailer Committee will also solicit ideas and suggestions to improve the use, efficiency and equipment of the trailer as approved by MCARC.

Current membership of the committee:

Bill Leucken W4WPL, Chairman

Chris Nunley KM4OTL

Dale Williams N4KDW
